EDUCATION

• Tuwaiq academy, OCT 2021 - FEB 2022
KOTLIN. camp Apprenticeship

• Taif University, SEP 2016 - MAY 2021
Information technology BA, GPA of 2.95 out of 4. Excelled in programming courses.

EXPERIENCE

Mar 22 - Pre   **Software Engineer,** Jahez International Company

July 21 - Pre   **Freelancer Software Developer,** Self employed

2014 - Pre   **Artiest,** Self employed
When I was 15 years old I got interested in art, so I started learning it, When people noticed how good I was I started getting orders for custom pieces.

June 21 - Oct 21   **Mobile devices maintenance**
When I graduated from college I had an chance to work in mobile devices maintenance, Started knowing nothing about it, and within 2 week I had the knowledge to fix any kind of device.

PROJECTS

Jun 23 - July 23   **How Many Paid 1 SAR, ReactJs**

Dec 21-Pre   **Memoria , Kotlin**
In this project I set a goal that I must learn great yet challenging things such: Dependence injection, clean architecture, Flows and coroutine, and I'm loving it.

07 Nov - 14 Nov   **ToDo list, Kotlin**
To me this was a great project, it filled up the gaps that I was missing in my first project, in this project I used MVC, Room Database and LiveData.

Sep 20 - May 21   **Covid-19 dental clinic system, IOS**

SOFT SKILLS

- Organization and Time management
- Analytical thinking
- Self-Learning
- Problem solving
- Good listener and quick learner
- Good researcher
- Quick learner

PROGRAMMING SKILLS

- Android Development
- Kotlin
- Java
- Jetpack Compose
- Digger and Dagger hilt
- RxJava and Coroutines.
- Solving algorithmic problems
- RESTful Api's
- VCS
- Fundamentals of Swift
- KMM
- Ktor
